

Supporting Education in AY 2022-23

with the Dr. Richard Kitz Education Fund

We will fund 70% of the cost of registration for DACCPM faculty members who register for a course on medical education during the 2022-2023 academic year.

Examples of courses that would qualify for support are:

Faculty members **may choose other courses on medical education**. Courses must be aimed at improving the attendee as a medical educator.

We will extend support to Fellows who are slated to immediately become MGH DACCPM faculty members after completing their fellowship.

Funding must be approved at least 30 days prior to the course start. Reimbursement occurs after the course and requires documentation of attendance.

Current support is **limited to \$7,500 per person per year**. The program is limited to \$30,000 per year.

Please contact Keith Baker with program questions or Maria DellaRocco for reimbursement questions.
